

IK STA
HIER.

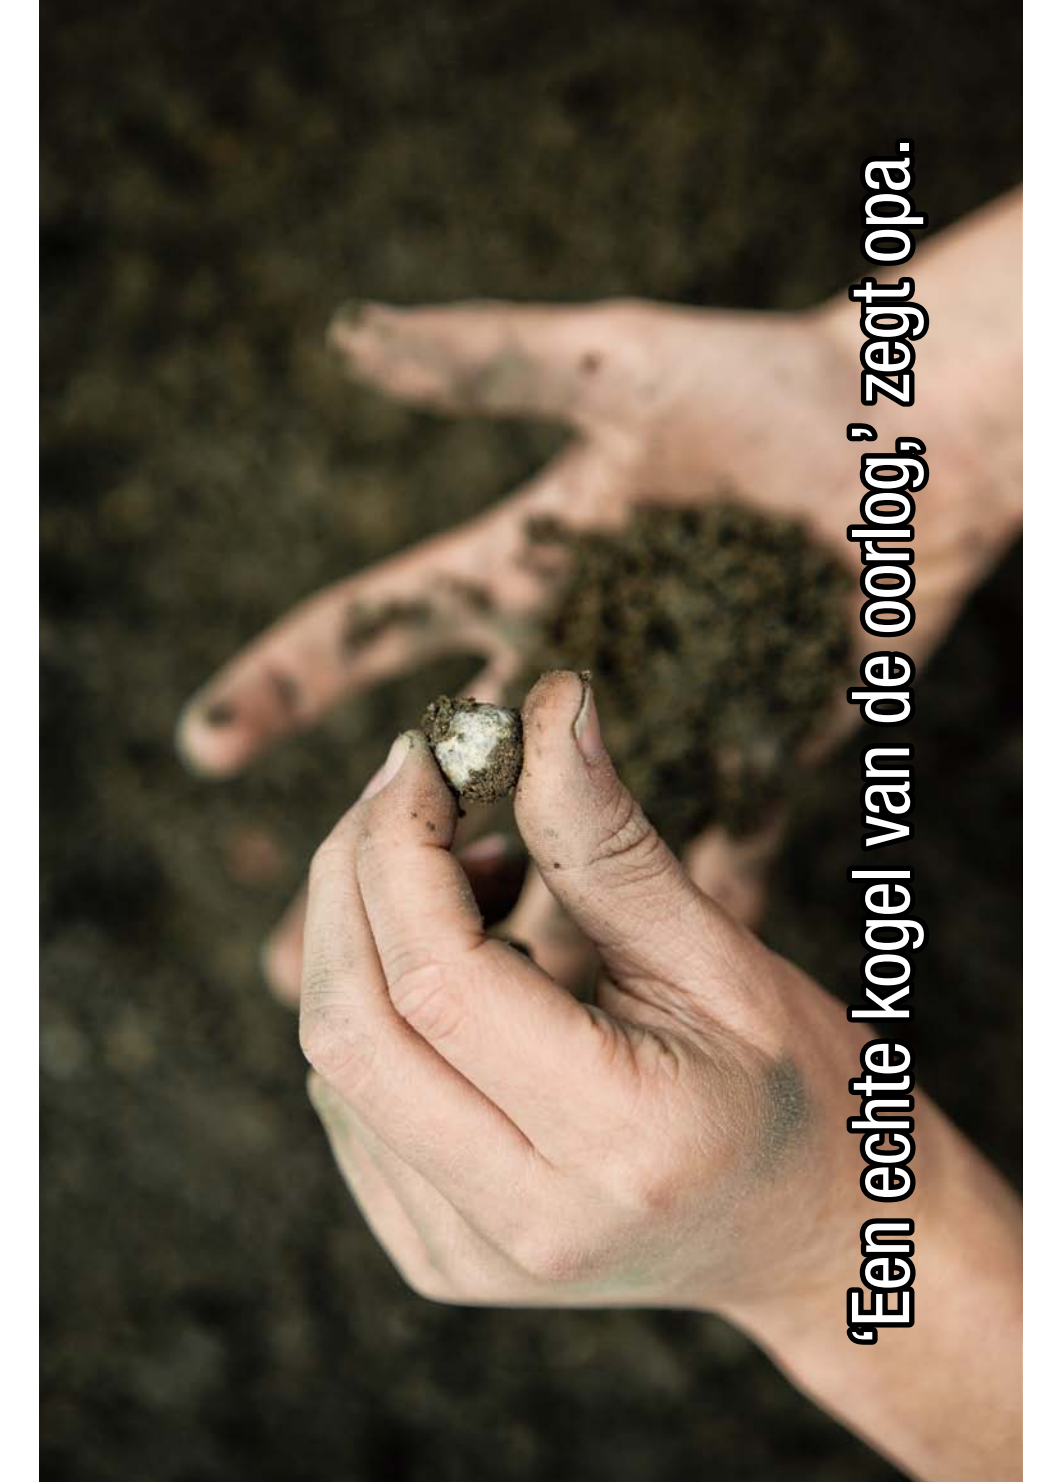

Niemand op het land,
alleen ik ...

... en een knikker.

A close-up photograph showing a person's hands holding a small, round, white object, likely a bullet, against a dark background of soil. The hands are positioned in the foreground, with the fingers gently holding the object. The background is a blurred expanse of dark earth, suggesting a field or a site of discovery. The lighting is soft, highlighting the texture of the soil and the smooth surface of the object.

‘Een echte kogel van de oorlog,’ zegt opa.
